**Subject:** Fellerstone KJKSJ Placer Permit S/-053/046

On May 15th, I called Russ Feller to tell him that he was sending annual reports on this permit that had been closed since 2000. He was unaware that it had been closed and thought that he had been paying fees regularly. I informed that we had not received any fees on this permit since 1999, We sent him a letter on March 26, 2001 informing them that they were filing reports on a closed permit. To date we have not received a reply to this letter. We received an annual report for 2001 which prompted my call to Russ to inquire on Feller's intentions. He was unaware of the closure and had not seen the Division's letter. I faxed him a copy for his records. No reply has been received since that time as to their intentions.
